Smile Birthday Party

We celebrated Smile's 5th Birthday, by having a children's tea party here on Friday 26th October. As you can see from the photos both Smile staff & children had a fantastic time. I bet you are wondering how we will celebrate next year!

Fair Trade

We would like to let you know that the variety of tea & coffee we can now offer you as patients has improved again. We now offer fair trade tea & coffee as well as our normal selection of tea, coffee, decaffeinated drinks & herbal teas.

Dental Care Finance

As mentioned in our last news letter we are in the process of setting up a dental finance scheme for our patients. This has been delayed slightly due to finance problems with lending companies in America & the knock on effects it has had here in England, such as with Northern Rock. We have looked into several different companies to ensure we get our patients the best possible care. We hope to get this up & running & available to patients in the New Year. Feel free to register your interest with your dentist & we will do our best to keep you updated with our progress.

Implant Course

In September Joanna Sutcliffe & Chris Crook started on a one year implant course. They will be away from clinics on the first Tuesday of every month until August 2008. On completion of the course they will be able to offer their patients implants for simple cases. For more complex cases Smile is fortunate to have David Pagliero a specialist surgeon visiting on Tuesdays and Fridays.

Facial Cosmetics

As you may be aware we offer facial cosmetics here at Smile, such as Botox & Restylane. However if you may be interested in other skin treatments including laser & skin rejuvenation & removal of pigmentation, please ask one of our reception team. They will be able to provide you with a leaflet about Remedies skin & laser clinic in Topsham. They offer a wide variety of treatments & we have worked closely with them in the past.

Christmas Time

It's that time of year again - CHRISTMAS! As usual we will offer Sherry & mince pies to any patients who would like to join us in celebrating the festive season. We would also like to take this opportunity to wish you a Merry Christmas & a Happy New Year from all the team here at Smile ☺
